# DR-260USB

http://www.sony.co.uk

Stereo PC headset with flexible boom microphone and removable audio box with control functions and USB connection. Make the most of your Internet conversations, music listening or gaming fun.

## Features

Please be aware that the features/specifications can differ from country to country.

- Lightweight hands-free stereo headset with convenient removable USB audio box for volume and microphone sound control
- Lightweight adjustable over-the-head headband with ear pads and silent cap design for long lasting wear and comfort and minimal sound leakage
- High sound quality through 30 mm driver units
- Ferrite Magnet and Acoustic Twin Turbo Circuit ensure deep bass and clear treble sound
- Noise canceling flexible boom microphone filters background noise and microphone position can be adjusted
- 3-metre long cord for easy connection to your PC
- Gold-plated stereo mini-jack (TRS) plugs minimise transmission loss
